ARCH PICKET

DOVER PICKET

FRENCH GOTHIC PICKET

GOTHIC PICKET WHITE

TRADITIONAL PICKET

SCALLOPED WOOD PICKET

Factory fabricated of 100% western cedar or white cedar, in 8' long panels and is available in all popular heights. Panels may be cut on the job for any length required simply by cutting the 2" x 4" back rails. 3' to 4' heights have two 2" x 4" stringers. Rust-proof stainless steel ring shank nails are a Meier's exclusive at no extra cost. Panels normally toe-nailed between 4" x 4" cedar posts which are then finished off beautifully with the Meier's exclusive decorator cap. Fence may be stained to match your home or left natural to weather to a soft silver gray.

SOLID SCALLOPED

Meier's solid cedar fencing is available in all popular heights. Fencing today must be a lot of things besides just a fence. Your demands are modern, and our fencing must live up to your demands.

If family protection is important whether you are containing a dog or you want to keep your small children secure in their yard, then Meier's solid cedar fence will fit the bill.

The value of your property is important. Any and all of Meier's 100% cedar fences will enhance it's value for many years to come.

Meier's traditional good neighbor fence is widely accepted because it's handsome appearance is exactly the same on both sides. Meier's Board-on-Board also provides privacy and at the same time allows the gentle breezes to flow through the fence. Meier's Board-on-Board is available with any of Meier's exclusive Point on Top, Flat Top, Arches, or Scalloped as pictured.

ORNAMENTAL ALUMINUM

ORNAMENTAL ALUMINUM

ORNAMENTAL ALUMINUM

The fence components are of Alloy 6005-T5 with a minimum yield strength of 35,000 PSI. The aluminum fence materials are coated with a TGIC polyester power-coat finish. The Residential Fence is available in six standard colors - White, Black, Walnut Brown, Beige, Quaker Bronze and Hartford Green. Aluminum fence products offer a Lifetime Warranty on all materials and workmanship as well as the finish of the fence against cracking, peeling, chipping and corroding.

PVC PICKET

PVC PRIVATE

Virtually maintenance free (never needs painting or staining) and all vinyl components, which mean smooth edges eliminate all splinters, scratches and cuts. PVC fences are manufactured from PVC Resin that provide strength and will not flake, rust, peel or blister. Fences are durable with high quality design that will not rot, warp or discolor. The beautiful appearance can enhance your home and property value. There is a wide variety of styles and functions and all vinyl fence panels carry a Transferable Limited Lifetime Warranty.

SPLIT RAIL

WESTERN RED CEDAR SPLIT RAIL

For the finest in rustic tradition, Meier's presents red cedar Post and Rail fencing. Meier's Split Rail adds the rugged accent of natural beauty to home, business or rural settings.

Authentically made, easy to assemble, it features 10 foot or 8 foot rails with tongued ends. Mortised posts are available in flexibility, it adapts easily to gradual or steep grades.

Completely maintenance-free, the Meier's Post and Rail fencing weathers naturally, taking on appealing textures and color shading. Truly a fence that meets the demands for durability, protection and beauty. Meier's supplies only "Jumbo" weight Post and Rail, the most rugged and durable of all available.

BLACK VINYL CHAIN LINK

GALVANIZED CHAIN LINK

Chain link fencing all vinyl coated is available in Black, Green and Brown. Maintenance free and has long lasting durability. Also available in galvanized steel.
